How do Seesaw Home Learning Codes work?

Seesaw Home Learning codes! 🙌

Children are now be able to access their own learning journal and complete tasks and activities at home.

Each student has a unique Home Learning Code to access Seesaw. When signing in with their Home Learning Code, students can post to their journal, respond to activities, and view class announcements. Students **do not** see the work of any other student in the class.

How do I use my Seesaw Home Learning Code?

We will be using Seesaw for home learning. Please sign in with your Home Learning code following the steps below:

1. Go to <https://web.seesaw.me> on a computer. Or install the Seesaw Class iOS or Android app.
2. Tap “I’m a Student”.
3. Scan or type in your Home Learning code.
4. Post to your journal, respond to activities, and view class announcements.
5. Remember, this code is like a password. Keep it safe! 

What next?

All children have received their Home Learning code.

If your child requires a replacement code, please send your Class Teacher a message via Family Seesaw App to ask for another .

Diolch!
